SA - 21 California Pig Hunt For 1 To 4 Hunters with Lockwood Hunting Services
DONOR VALUATION: \$500/HUNTER
DONATED BY: TIM LOCKWOOD, LOCKWOOD HUNTING SERVICES

Your wild pig hunt will be conducted on private ranches in Sonoma and Mendocino counties. The terrain consists of open fields, rolling hills, forests, canyons and brush. This is ideal country to glass the mountain sides and oak edges looking for that monster hog. You will spot and stalk to hunt the pigs. The use of dogs is optional and can also be a very exciting hunt, at extra expense. There are many trophy and meat pigs on the ranches you will hunt. Expect a high success ratio on this hunt. The ranches you will hunt are private which keeps the hunting pressure low so the pigs mature to old age with an abundant population. Whether you enjoy a spot and stalk hunt with archery equipment or a rifle or a fast paced hunt with dogs, this hunt can make it happen.

The general season for wild pigs is year round. You will arrange your own meals and lodging near the hunting area. The value of this hunt is \$500 per person. You are bidding on 1 to 4 individuals for a guided pig hunt. For instance, if you want 4 individuals to go hunting for wild hogs, if your bid is \$500, you will be paying the Greater Bay Area Fundraiser \$500 x 4 = \$2,000. The price of pig hunts in California is soaring! Get a few friends together and enjoy a great hunt on some excellent California hog territory.

Please note: You may bid for only 1 person, if you so choose. If 4 people take that same bid price, they will take priority. Your Greater Bay Area Fundraiser Committees are hoping for a group to take this opportunity to have a great time on a central California wild pig hunt!

SA - 25 Illinois Trophy Whitetail - 5 Day Rut Hunt for 1 Hunter with Urge2Hunt

DONOR VALUATION: \$ 3,500

DONATED BY: SERGE ENGURASOFF, URGE2HUNT

This trophy whitetail hunt is one of a kind and is a Urge2Hunt exclusive. You will be hunting in one of the top trophy producing whitetail counties in the U.S, Fulton County, for monster bucks averaging 150-180 with some topping 200 every year. More B&C bucks come out of this area of Illinois than anywhere else in the country. You will be hunting on private property with very little pressure using bow, shotgun or muzzleloader. In 2009, hunters were seeing 8-10 shooter bucks a day during the rut with 100% opportunity.

You will be responsible for your own motel and meals in Havana, Il (near Springfield). You will meet your guide to be escorted to the hunting area and blind or tree stand. You will arrange check in and communications. Illinois is NOT a rifle state, only bow, shotgun, or muzzleloaders are legal. Look at the size of these deer and bid until you are the next person to get out there and have an opportunity at a phenomenal whitetail! Archery tags are over the counter, shotgun/muzzleloader is a draw with virtually 100% success. Cell phones and radios work there, you will be able to change areas for better opportunity if you and your guide decide that would be good.

This hunt must be taken fall hunting season of 2010.

SA - 27 Huli Cat Sportfishing 1 Day Dungeness Crab Trip For Up To 10 People

DONOR VALUATION: \$ 1,495

DONATED BY: TOM MATTUSCH, HULI CAT SPORT FISHING

What could be better than fresh Dungeness crab, right out of the water! Get a group of friends together and see how crab pots are retrieved commercial style using hydraulics. Think 'Deadliest Catch - Crabbing On The Huli Cat!' Plan on about three hours for your trip. Capt Tom says take this trip so you have an opportunity to see California gray whales on their migration, as well. As the crab pots come up, jump in and assist in changing the bait, checking the pot, repositioning and re-dropping. Once we have run the pots, come back to the harbor.

Capt Tom advises you to get the crabs cooked, cleaned and cracked at Princeton Seafood (\$2 each) so you have an option of going home with cooked, cleaned, cracked crab on ice, ready to eat with friends and neighbors. You will also have the option of taking them home yourself, to boil, steam or make into your own Cioppino! Since you will have access to the boat on a charter basis, you will choose your time of departure. Most trips leave about 7am, however, you may adjust the time of departure from 7am to noon!
